## **A MESSAGE FROM THE PRESIDENT**

By Sandi Silber

The summer is here and along with it will be the heat. The meeting room that we use for Shabbat services can, during the summer, become unbearable. Due to the heat, summer vacations and sparse in-person attendance, the Board has decided that we are going to hold services on-line by Zoom and not in-person for the months of July and August.

Special non-Shabbat activities that are being planned will still take place in-person, unless noted otherwise. Look to the emails for further updates.

Regarding the plans for our new building, Brick Township is past its 45-day review of our application. We are waiting to hear back for their input and a date for our hearing. During this waiting period, we are lining up contractors to do the renovation work. We will keep you informed of our progress.

We wish you all a safe and enjoyable summer.

If you need anything, call the office and we will reach out and help the best we can.

Stay safe,  
Sandi,

## A MESSAGE FROM OUR RABBI

By Rabbi Robert Rubin

### What Will the Future Bring?

The short answer is: we do not know. The longer answer is: we do not know though we do think about it and think about how to prepare for it.

There have been many breaking news stories recently. – the Russia-Ukraine war, the various decisions of the United States Supreme Court, the House January 6 Committee, the protests in the streets, the debates in the media and the different election primaries in the United States.

Israel has also had breaking news in the elections sphere – the Coalition government that has held together for about a year is dissolving. New elections are being set for November 1, 2022.

Last year, a coalition of 61 Members of Knesset (Israel's 120-member Parliament) formed a broad-based unity-oriented majority – a majority of one, the slimmest possible. The Government Coalition included eight out of the thirteen parties in the Knesset. It included some in the political right and some in the political left, some who are secular and some who are religious, Jews and Arabs (for Arabs it was the first time in Israel's history), some with disabilities and some without, and some more willing to compromise and some less willing to compromise. Recently, one by one, a number of individual Members of Knesset in the Coalition stated that they are leaving or were thinking of leaving the Coalition thus reducing its working number to 60 (no longer a majority) and even to 59 (a minority).

Prime Minister Bennett announced that it was no longer possible to hold onto a majority of the Knesset Members and thus decided to dissolve the Coalition. Former Prime Minister Netanyahu may try to put together an alternative Coalition and put off the need for new elections. Most think that this is not likely to succeed. Thus, new elections, the fifth election in 3½ years, are being planned.

One overall message is that Israel, like America, is a very diverse society and is also currently polarized. This past year's attempt in Israel for unity, cooperation and teamwork is to be applauded and should inspire us in America and at Temple Beth Or.

Let us pull together, work as a team and respect each other and each other's opinions even if we disagree. Let us strive for the advancement of our community. Let us prepare for the future and help shape it for the better.

**Emergency Campaign to help the Jews of Ukraine during this crisis** – You can contribute through the Jewish Federation of Ocean County to help the Joint Distribution Committee and other agencies who are already on the ground working in Ukraine. There are possibly upwards of 300,000 Jews in Ukraine, 40,000 of whom are vulnerable and/or elderly. Our partners at the JDC provide services at more than 1000 locations throughout the country and they work with all partners, including Chabad, Hillel and the International Fellowship of Christians and Jews. Many who are able have already made their way to the western part of the country, with several thousand crossing into Poland or Romania. Needs of these refugees has yet to be determined, and there will likely be thousands more as this conflict progresses. The Jewish Federation of Ocean County is already sending funds, but the more we raise, the more we can help. All contributions raised will be sent directly to our partners doing important work in response to this crisis. **Checks payable to JFOC can be mailed to 1235A Highway 70, Lakewood, NJ 08701; memo: Ukraine Emergency Fund.**

## UPCOMING EVENTS

### VOLUNTEER

**Be Prepared – CERT is Community Emergency Response Team**, a nationwide volunteer organization which most towns have. It backs up First Responders. Members are trained on what to do before, during and after a disaster, including basic first aid, CPR, fire safety, light search & rescue and triage. CERT members have assisted with evacuations, food & water distribution, fire and Super Storm Sandy as well as at township events, such as Summerfest, Night Against Crime and Trunk or Treat. When disaster strikes, those trained are able to assist the police and EMS, help themselves and help their neighbors. Successful completion of a CERT course, which includes a written & practical test and background check, are the requirements to become a CERT member. Preparedness is very important. Please stop in the Temple Beth Or office, located in St. Thomas Lutheran Church, Monday-Friday, 9:00 AM – 1:00 PM to pick up a Disaster Preparedness Guide. If you are at any township event look for the CERT table and say hello. If you want to learn more, call our TBO member Joy Witt at 732-278-9008.
